## 14 Wonderful and Weird Spa Treatments for Your Next Beauty Adventure

by COURTNEY LEIVA

### Ole Henriksen Red Carpet Facial, \$395 for 80 minutes

Plant stem cells aren't exactly new when it comes to skin care. But if you haven't tried products or treatments using human stem cells yet, you'll definitely want to add this eyebrow-raising facial to your beauty bucket list. The facial uses real human stem cells to help keep skin glowing, hydrated and velvety smooth.
